"SPECIAL CLUB" CHAMPAGNE - aka Club de Trésors or "Club of Treasures", is a designation for the highest quality grower Champagne, representing the best vintages and the highest standards of quality from member Champagne houses. To be designated "Special Club," Champagnes must be produced, bottled, and aged at the member's estate, and the grapes must be harvested from the member's own vineyards. Wines must be submitted for approval every year, with membership not guaranteed.

* GROWER CHAMPAGNE

Champagnes produced by the estate that owns the vineyards where the grapes are grown. Grower Champagnes are the essence of "artisanalwinemaking" with terroir being at the forefront for each wine, rather than an emphasis on a consistent "house style" that can be made year after year.
